

On entering the Cams Hall Estate please ensure you bear right – **do not** head up the road to the Cams Hall House

How to find us

By Road (from M27 eastbound or Westbound)

We are located about 2 minutes off junction 11 on the M27.

As you exit the motorway from either direction take the southbound dual carriageway signposted Fareham Central. 100 metres along this road you notice a left lane slip road. Take this slip road down to the Delme Roundabout. At the bottom of the slip road is a set of traffic lights. Bear left round the roundabout (when the lights are green!) and take the first exit left signposted A27 Portsmouth and Portchester, then immediately move across in to the far right lane for the traffic lights. At the traffic lights turn right into the Cams Hall Estate. On entering the estate, **bear right where the road forks**. The road swings up towards the golf club, continue over 2 yellow and black speed humps, then past the office buildings on the right. Follow the road round to the right, and we are the last building on the right hand side into a small driveway in front of the golf course. Parking is directly in front of the office.

By Rail

Trains arrive from both Southampton and Portsmouth approximately every 1/2 hour. Fareham Central station is approximately a 5 min taxi ride from Cams Hall Estate. Via Taxi on entering the Estate bear right where the road forks. The road swings up towards the golf club. We are the last building on the right. Parking is directly in front of the building.

By Air

Southampton International Airport is approximately 12 miles West from junction 11 on the M27. On landing in Southampton, get a taxi. Join the M27 Eastbound. As you exit the motorway at Junction 11 take the southbound dual carriageway signposted Fareham Central. 100 metres along this road you notice a left lane slip road. Take this slip road down to the Delme Roundabout. At the bottom of the slip road is a set of traffic lights. Bear left round the roundabout (when the lights are green!) and take the first exit left signposted A27 Portsmouth and Portchester, then immediately move across in to the far right lane for the traffic lights. At the traffic lights turn right into the Cams Hall Estate. On entering the estate, bear right where the road forks. The road swings up towards the golf club. We are the last building on the right. Parking is directly in front of the building.

By Boat

Into Portsmouth Harbour, watching the tides carefully, past Portchester castle and up Fareham creek. Moor up just off the gravel jetty by the viaduct. Walk across the mud flats, across the 4th green and then up the 3rd fairway on the Cams Hall Golf Club and in through the Taylor Made front entrance.
